1873 & 1874.

---

The School of Medicine at Kingston being incorporated with independent powers and privileges under the designation of the "Royal College of Physicians and Surgeons, Kingston," will commence its twentieth session in the College Building, Princess Street, on the first Wednesday in October, 1873.

The College is affiliated to Queen's University, wherein the Degree of M.D. may be obtained by its Students.

Certificates of attendance at this College are recognized by the Royal Colleges of Surgeons of London and Edinburgh; and either the Degree of M.D. or the License of the College entitles the holder thereof to all the privileges in Great Britain that are conferred upon the Graduates and Students of any other Colonial College.

The new premises of the College are commodious and convenient. Unequalled facilities are presented for the study of Practical Anatomy, and great advantages for Clinical Instruction are afforded at the General Hospital and Hotel Dieu.

As a general rule there are examinations once a week in all the classes.

The fees for the different Classes are payable at the commencement of the Session. A Student who has attended two courses in any Class in the College except the Anatomical Demonstrations, is entitled to free attendance in such Class at any subsequent date.

## *Requisites for Graduation.*

The Matriculation and Curriculum of this College are identical with all Colleges in Canada, as prescribed by the Medical Council.

The examinations for Matriculants and for the Medical Council will be conducted in the College Buildings by the Rector of the Kingston Grammar School on the first Tuesday and Wednesday of January, April, July, and October of every year, and will embrace the following subjects, viz: **COMPULSORY**—English Language, including Grammar and Composition; Arithmetic, including Vulgar and Decimal Fractions; Algebra, including Simple Equations; Geometry—First two Books of Euclid, Latin Translation and Grammar, First Two Books of Cæsar's *De Bello Gallico*, and one of the following subjects—Greek, French, German, or Natural Philosophy, including Mechanics, Hydrostatics, Pneumatics.

Graduates and Matriculants in Arts in any University in Her Majesty's dominions are not required to pass the Matriculation Examination. Evidence of having passed a Matriculation Examination in any of the Medical Institutions of Canada prior to July 19, 1869, will be accepted.

The Candidate for the Degree of the University or Diploma of the College must have completed a period of four years' study, and have given regular attendance on full courses of instruction in the following branches of Medical Science for at least three Sessions. In the case of Graduates in Arts or those who have spent a year's pupilage in the office of a Medical Practitioner, a period of three years only will be required.

The Candidate must have given regular attendance on Full Courses of Instruction in the following Departments for the periods stated:

I. Principles and Practice of Surgery.....	} Two Full Courses of six months each.
II. Theory and Practice of Medicine.....	
III. Obstetrics & Diseases of Women & Children.....	
IV. Institutes of Medicine.....	
V. Anatomy.....	
VI. Chemistry.....	
VII. Materia Medica, Therapeutics and Pharmacy.....	} Two Full Courses of three months each
VIII. Practical Anatomy.....	
IX. Clinical Surgery.....	
X. Clinical Medicine.....	} One Course of three months.
XI. Medical Jurisprudence.....	
XII. Practical Chemistry.....	} Twelve months.
XIII. Botany.....	
XIV. Hospital.....	

The above course of study may have been pursued either wholly in this College, or partly here and partly in some other recognized Medical School. In the latter case at least one full session must have been spent in this College, with attendance on at least four of the above six months courses.

Certificates of attendance on Lectures are received from incorporated Medical Schools in the British dominions, and others recognized by the British Universities and licensing Colleges. Other certificates of attendance on Lectures may be admitted at the discretion of the Faculty.

All Students shall present evidence of their having compounded medicine for a period of twelve months, or for two periods of six months each, in the office of a regularly qualified Medical Practitioner. And they shall present evidence of having attended not fewer than six cases of Midwifery,

Every Candidate must deliver, before the 15th of February of the year in which he proposes to graduate, to the Registrar of the College, a Declaration under his own hand that he is twenty-one years of age, or that he will be so before the day of graduation, accompanied by a certificate of good moral character, a statement of his medical studies, with proper certificates, and a Thesis, composed by himself and in his own handwriting, to be approved by the Faculty.

Each Candidate is examined both in writing and viva voce—first on Chemistry and Toxicology, Anatomy, Institutes of Medicine, Materia Medica and Therapeutics and Botany—these subjects constituting the PRIMARY EXAMINATION; secondly, no Surgery, Theory and Practice of Medicine, Medical Diagnosis, Medical Jurisprudence, Obstetrics, Clinical Medicine and Clinical Surgery, and Practical Surgery, which are the subjects of the FINAL EXAMINATION.

Students ready to submit to the Primary Examination, that is, to an examination on the first division of these subjects, at the end of their third year, may be admitted to examination at that time. The Final Examination, embracing the second division of subjects, shall not take place until the Candidate has completed his fourth or last Session.

### *Requisites for the Fellowship.*

Before being admitted to this Professional Examination, the Candidate must produce evidence of being a Graduate of Arts, or undergo an examination equivalent thereto, and of having been engaged in the practice of the profession at least five years.

The Fee for the Diploma of Licentiate of the College is \$20; for the Degree of M.D., \$30; for the Fellowship of the College, \$50.

Board can be obtained in Kingston at from \$2.50 to \$3 a week.

Any additional information may be obtained on application to the President or Registrar.
